

# Tudhoe Colliery Primary School - *Ethos and Values*

We are proud to be a member of Tudhoe Learning Trust and subsequently aim to embed the values of the Trust in everything we do. The Values of the Trust are shown in the boxes and our school values are shown within our wheel.

# Tudhoe Colliery Primary School - *Ethos and Values*

When the Colliery was on our doorstep up until 1936, there were two wheels that served the mine. Today we have one wheel that serves our school, with TC (Tudhoe Child) at the centre, reminding us that the children are at the heart of everything we do. The wheel enables us all to fulfil our mission statement:

*At Tudhoe Colliery we offer the opportunity for achievement, the motivation for development and the support for independent growth in a caring environment, which values every individual, learning together to achieve our full potential.*

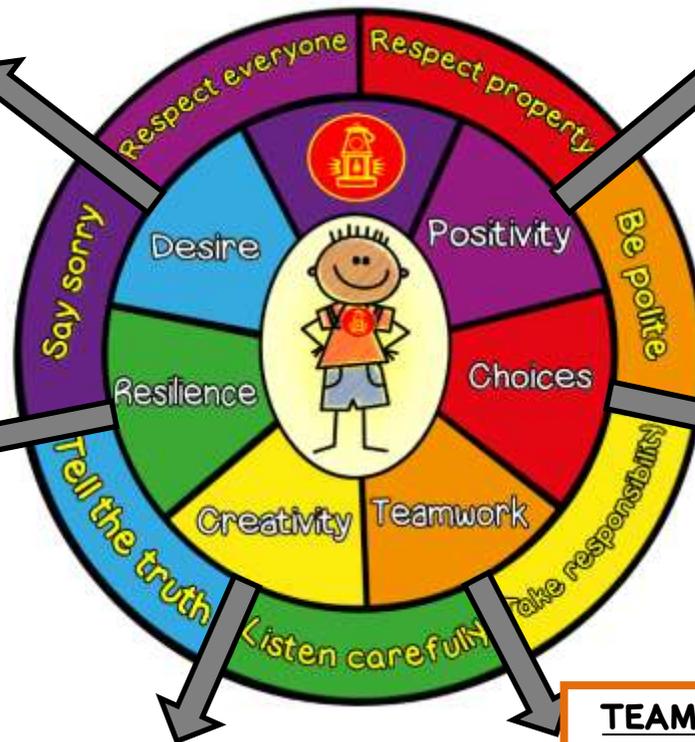

**DESIRE** – We want to get better and improve every day.

The inner ring shows our core school values.

**RESILIENCE** - We keep going when things get tough.

The outer ring refers to our 'non-negotiables in school: the rules we need to follow to make sure we are positive members of our school community.

**CREATIVITY** - We can problem solve and express ourselves in different ways.

**POSITIVITY** - We see possibilities instead of obstacles.

**CHOICES** – We can consider different options and make the right decisions.

**TEAMWORK** – We can cooperate with others and contribute to our team.

Further details of our school values, including age related expectations, can be found in our Behaviour Policy.
