Our Time to Shine

Impact of 2019-20 Sport Premium funding

We were on track to achieve the Gold School Games Mark again, for the fifth year in a row, but due to Covid we were only able to achieve recognition for entering a wide range of sporting events. One of the sports premium aims was the engagement of all pupils in regular physical activity and we had many club opportunities again, with 82% of KS2 children participating in a sporting club. We had a wide range of clubs on offer including:

- Y1/2 Little Gym
- Y5/6 Netball
- Y5/6 Basketball
- Y5/6 Tag Rugby
- Y1/2 Dance
- Y3/4 and 5/6 Gymnastics
- Y5/6 Football

38% of our KS2 pupils were sporting leaders, either being a referee, leap leader, leading in lessons or lead a sporting event within school. This all contributed to us achieving the silver County Durham Leadership award with our Year 5 pupils moving towards achieving the Gold Award because they were helpers at a Y1 Multi-skills event.

Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school. Therefore, we enhanced our playground facilities and have more opportunities for physical activity at playtimes with the new dancing area, agility trail and having basketball as well as football on the MUGA. There are also opportunities for pupils to be active within the two PE lessons they have a week and in the Little Gym. In 2019-20 all of our pupils achieved at least 15 minutes physical activity a day outside of PE lessons and around 70% achieved 30 minutes or more.

Our Time to Shine

Miss Cottle was our Forest Schools leader and every class had a block of Forest School sessions this year that linked into the class' Topic lessons. Sessions took place within our brilliant facilities, including the Eco Garden, Secret Garden, the field and within Loggings Wood (local woodland). Forest Schools builds on teamwork skills, social skills, self-confidence/esteem and learning to take measured risks.

Our sport premium ensured every class in our school had the chance to take part in an inter-school competition or festival with considerable success:

- ✓ Football league
- ✓ Cross country
- ✓ Tag rugby
- ✓ Sports hall athletics
- ✓ Netball league
- ✓ Year 3 multi-skills festival
- ✓ Sports hall athletics
- ✓ Infant Games
- ✓ Reception multi-skills festival
- ✓ Basketball
- ✓ Boccia
- ✓ Martial Arts Festival
- ✓ Swimming Gala

Swimming:

Unfortunately due to Covid our Y6 children did not get assessed in the summer term.

Sustainability

We believe year on year the skills of our staff and the performance of our pupils continue to improve. This is evident in our termly assessments, in staff discussions and training sessions led by specialists as well as our PE lead. We aim to try and bring in different sports coached by specialists every year so our staff continue to improve their knowledge and skills to deliver high quality PE in every year group.
