Our Time to Shine

Impact of PE Spending 2020-21

Our funding for the year was **£18,100** from the DfE, however our desired outcomes from spending this allocation were largely unachievable due to Covid 19 restrictions.

We had the aim to be awarded the Gold School Games Mark for a sixth year in a row, as well as achieve the Platinum Award, however this was not possible due to the restrictions imposed by the pandemic. We also aimed to maintain the silver County Durham Leadership award and work further towards achieving the gold award. We were able to maintain a high level of leadership involvement this year, however leadership needed to be developed in every class to maintain the integrity of the Bubbles. We also spent money on the acquisition of PE resources for each class to develop our active playtimes within each bubble. This had a fantastic impact upon the wellbeing of both staff and pupils during some really difficult times, enabling the children to develop a more structured type of play which we intend to continue after the restrictions have been lifted. **£1,700 spent.**

We subscribed to the enhanced SLA from the SSP. This entitled us to attend all the competitions they were due to run throughout the year, but as previously stated, this was not possible. One of the aims of the sports premium is to provide a broad range of sports and activities to all pupils and we were still able to provide high quality coaching including: yoga, cycling, fencing and archery with very precise risk assessments to keep everyone safe. The support we get from coaches increase confidence, knowledge and skills of all staff in teaching PE and sport as well as giving the pupils the opportunities to be taught by specialists. A number of our pupils reported that they would like to take up one of the sports that we had in school. We also received leadership support from the SSP for our PE Champion, as well as supporting our pupils' mental health through Team Up sessions and inspirational days from recognised athletes. **Cost of SLA - £8,500.**

Mrs Picard finished her Forest Schools training and our children benefited from Forest school activities at every opportunity and we developed our garden usage considerably thanks to Mr Allison. **Cost - £4,600.**

Our Time to Shine

We also had a Sports Week with extra visits from Circurama and Spennymoor FC in the summer term along with our charity run and our inhouse dance/gymnastics festival which was a fabulous success. These events along with the purchase of some specialist equipment for athletics, gymnastics and basketball gave the children the opportunity to compete within school more than ever and despite restrictions still being in place, were able to enjoy a summer of sport. **Cost - £3,300.**
