

WHAT DOES IT MEAN TO BE A CHILD AT TUDHOE COLLIERY?

History

Learning from the past, understanding the present and looking forward to the future.

Geography

Understanding the physical, cultural and economic complexities of our world, including its fragility and their roles/responsibilities to look after it.

Reading

Reading for pleasure and for information, thus developing a greater understanding of the world around us; speaking with confidence and clarity about a range of subjects.

Writing

Writing for a purpose, with passion and imagination and developing a style that is unique to me.

Music

Learning to perform using a range of different instruments including my voice, appreciate and enjoy a range of different styles of music.

Spanish

Appreciating other cultures and understanding the need to communicate with them.

Me

Independence

Learning to think for ourselves and take responsibility for our own learning, developing the resilience to overcome the challenges we may face.

Speaking & Listening

Speaking with confidence and clarity about a range of subjects, feeling confident to share our opinions and listening respectfully to the views of others.

SMSC

Learning to understand and respect the views and beliefs of others, recognising that the differences between us make our community richer.

Maths

To be confident in all aspects of maths, with the ability to choose from a variety of skills to solve problems and be highly skilled in using basic number facts.

PE

Learning to be physically healthy, develop skills, competitiveness, sportsmanship and opportunities for leadership.

Science

Gaining scientific knowledge, investigating, hypothesising, explaining and being inspired.

PSHCE

Expressing feelings and opinions with confidence and respect. Developing a healthy mind and understanding/empathy for others.

Tudhoe 30

Gaining the life experiences necessary to raise our aspirations and fuel our imaginations.

Who am I?
Why am I here?
Where am I going?
How do I get there?
What opportunities are available to me?
What are my responsibilities in this world?

RE

Appreciating and respecting the richness of all religions around the world and in the UK. Finding my own beliefs.

Art

Learning to express myself using a variety of different mediums, learning to appreciate and enjoy art.

DT

Learning to design, create, explore, solve problems, challenge and evaluate.

Using a range of different technologies confidently and safely, understanding their effectiveness and limitations.
